

# PLANT DEWI

*Lle mae Teuluoedd yn Bwysig*  
*Where Families Matter*

**Join us in our Lent Appeal**

## **Give up something for Lent and donate the money you save**

- Plant Dewi's projects are a life line to many families and their sustainability is paramount.
- Help us keep going and not let our families down.
- Plant Dewi's Christian values provide the means of supporting some of the most vulnerable families at their point of need whilst maintaining their dignity and control in the matter.
- The projects are safe places to be providing a space to pause in a busy world and reflect on the journey.
- They are places where parents can gain their bearings, make friends, chat together about issues that matter to them, give and receive support, and give encouragement to one another.
- Together parents can find the strength to navigate a way forward in an environment based on mutual trust and acceptance, an environment that allows for mistakes, makes room for forgiveness and shows grace so that families move forward confidently with new knowledge, skills and motivation.
- Over 5000 individuals gained support, practical help, reassurance, encouragement and hope last year.

Contact 01267 221 551 or message us on Facebook for more information.

Thank you for your support.
